

DEWDNEY Elementary School

COMMUNITY OUTDOOR RECREATION AND
ENVIRONMENT EDUCATION (C.O.R.E.)
PROGRAM INFORMATION NIGHT

Tuesday, JANUARY 27th, 2015

Does your child like observing insects? Going for nature walks and hikes? Watching worms wriggle in the compost? Learning outdoor survival skills? Creating nature journals?

Dewdney Elementary's C.O.R.E. program may be the right choice for you!

Research is clear about the benefits of outdoor education:

- Don't miss this opportunity! Registration is ongoing for entry in all grades, and especially for **Kindergarten students** beginning **Feb. 2nd**.
- Dewdney Elementary is part of the Mission public school system.
- BC Curriculum requirements met
- Outdoor adventures can positively impact children's self-esteem, confidence, independence and social skills
- School gardens increase motivation toward learning, and greater sense of belonging and responsibility
- 'Contact with nature' is defined as a key motivating factors to being active and healthy
- Documented benefits of teaching and learning science through fieldwork in the natural environment.
- Increased outdoor interaction time
- Enrich your child's school experience with outdoor learning

Come and find out more, see our plans for our new Outdoor Learning and Playscape Centre at our Public Information Night.
